This year we have changed many of the subject names in order to get rid of the 'A' and 'B' suffix or to more accurately reflect the subject matter taught in that unit.

Your Transcript of Results now shows the equivalent 2010 subject names.

This chart shows both the 2009 and 2010 curriculum with the shaded areas indicating changes made since last year.

Please carefully check your subjects prior to enrolment. If in doubt, consult your HOD.
