## AMBASSADOR SCHOLARSHIP PROGRAM INFORMATION

Have you taken the first step towards your career in complementary medicine?

If you've done your research you'll know by now that the Southern School is the most prestigious school of its kind in Australia and you will have selected SSNT as your institution of choice. If this describes you then you are eligible to apply for the SSNT Ambassador Scholarship Program.

We're looking for students who are as convinced as we are that SSNT provides the only option for students who are determined to obtain the best possible education in their chosen branch of complementary medicine.

In recognition of the confidence you have shown in the Southern School, we are offering you the opportunity to apply for a Scholarship which will cover your fees for the duration of your chosen course. In the event of two applicants being equal, each will receive a half-scholarship.

The successful applicant should be articulate, enthusiastic and self-confident and will be prepared to volunteer to promote the Southern School and complementary medicine to members of the broader community. This could involve a variety of activities such as assisting at the school's information sessions, presenting a student's perspective to interested members of the public at careers expos, speaking to school groups and appearing in printed advertising material.

This offer is available only to those who have completed and submitted their SSNT Registration Form. Applicants who commence study mid-year will be considered for the following full academic year.
