This policy and procedure applies to all persons enrolled with the SSNT for the delivery of education, training and assessment services.

Students of the SSNT are entitled to use the grievance procedures set out in this policy, regardless of the location of the campus of the College at which the grievance has arisen, the student's place of residence or the mode in which they study. The procedure is free of charge.

Definitions

An academic grievance, complaint or appeal is deemed to be dissatisfaction with the procedures, outcomes or the quality of service provided by employees of the SSNT in relation to the following processes:

- enrollment
- education and training delivery, curriculum
- exams and assessments, a training/competency assessment, recognition of prior learning
- student progress
- issuing of results, testamurs and/or statements of attainment and awards
- any other activities associated with the delivery of education, training and assessment

Grievances of a non-academic nature, such as related to personal information, discrimination or harassment are dealt with under the *Grievances, Complaints and Appeals [Non-Academic] Policy and Procedure*.

An academic grievance, complaint or appeal is deemed to be a formal grievance, complaint or appeal when it is lodged in writing to SSNT. Forms for this purpose are available at the library or on the website.

Academic Appeals Committee

The Academic Appeals committee meets as necessary and reports to the Academic Board. It includes the following people, where no conflict of interest arises:

- Chairperson of Council or nominee
- 1 Council member nominated by Council
- Principal or nominee
- Manager, Student Services
- Student representative (not involved in the decision which is being appealed) nominated by the student body
- A Head of Department not involved in the decision which is being appealed.
- Meetings Convenor (Secretary) [non-voting]

The chairperson is elected from the membership. A quorum is four voting members. The committee may call appropriate persons to give evidence e.g. relevant lecturers, co-ordinators or heads of department.

Student Representation

The person making the claim (claimant) and /or respondent have the right to be represented by a third person of their choice, (such as a family member, friend, counselor, or other professional support member.) if they so desire.

Policy

All disputes or grievances will be handled professionally and confidentially in order to achieve a satisfactory resolution.

All parties will have a clear understanding of the 3 steps involved in the grievance procedure.

Each appellant/complainant will be provided with the opportunity to present his or her case at each stage of the grievance process.

All grievances will be managed fairly and equitably and as efficiently as possible.

The complainant and respondent will not be victimised or discriminated against in any of the stages set out in this policy, nor as a result of a grievance being raised.

The SSNT will encourage the parties to approach a grievance with an open view and attempt to resolve issues through discussion and conciliation. The policy provides an avenue for most grievances to be addressed. However, where a grievance cannot be resolved through discussion and conciliation internally, the SSNT acknowledges the need for an appropriate external and independent agent to moderate between the parties, as set out below.

SSNT will endeavour to resolve any grievance referred to it by the Victorian Registration and Qualifications Authority (VRQA) within ten working days of its receipt of the complaint.

This policy is communicated to academic and support staff through the Lecturers' Procedures Manual and the school's website. The heads of departments are responsible for the training of academic staff in their respective departments in the application of the policy. The Manager-Student Services, Cheryl Richter is responsible for the training of student services/administration staff in its application.

At all stages of the process, the complainant and/or respondent have the right to be represented by a third person (such as a family member, friend, counsellor or other professional support person) if they so desire.

At all stages of the process, discussions relating to complaints, grievances and appeals are to be recorded in writing. Reasons and a full explanation in writing for decisions and actions taken as part of the procedures will be given, if requested by the complainant and/or respondent.

Student Privacy

The SSNT acknowledges and respects the privacy of students. It is required under the Privacy Act 1988 (Cwth) to comply with the *national Information Privacy Principles* in SSNT/Policies & Procedures/latest Grievances & Appeals Policy ACADEMIC 060409 Ver 10

Parties to the complaint will be allowed supervised access to these records at the discretion of the Principal, Deputy Principal or nominee.
